

Big weird head

He Said

I am going to have to break up with you
I feel we just aren't connecting

I said

I was just about to break up with you
I can't handle your BIG WEIRD HEAD

He said

it's just that I feel we are holding each other back

I said

NO IT'S BECAUSE OF YOUR BIG WEIRD HEAD

He said that we are suffocating each other and he
needs some space to breathe

And I said

no it's because of YOUR BIG WEIRD HEAD
it's out of proportion to your body

He said I love you very much but I need to find myself right now

I said

great you can use YOUR BIG WEIRD HEAD to think things through

He said he was sorry but it was never meant to be

I said

hey don't forget this massive hat for YOUR BIG WEIRD HEAD
